Nationals	As per Singles Skating Rules and Regulations Oct 2006 attached

SECTIONS: NON-NATIONALS

As per published requirements.

- No minimum standards will be applied to these sections
- If a skater was qualified to compete in the 2009 National Championships (i.e. passed the respective tests) and wishes to enter the Novice competitive stream, then the skater must compete one section higher than the section in which they were qualified at National level.
- If a skater needs or has a higher medal qualification than the minimum qualification required for a Non-National section, then they may compete in this section (subject to meeting the age requirement) and need not move

one section higher with the proviso that they **have not** passed a competitive test for a section in which they currently meet the age requirement.

Please note: Skaters are encouraged to compete at Provincial and Inter-provincial level in the National stream sections if they meet the minimum requirements.

SECTIONS: NATIONALS

As per SAFSA Rule Book Update Section C Single Skating (attached)

Individual entry forms are enclosed.

Please could all provinces co-ordinate entries onto the enclosed single Provincial entry form, and verify qualifications, eligibility and dates of birth.

This list must be emailed **before** the closing date.
