

# COMPETITION

Dear Member,

As we are nearing our Provincial Competition we would like to bring the following important information to your attention:

- Ticket Sales
- Trophies
- Entry Forms
- Official Practice
- Competition
- Assistance at the competition.

## Ticket Sales - *Competition!!*

The committee decided to hold the competition ONLY on the Sunday evening for various logistical reasons. However, this came at a HUGE financial cost. We didn't want to increase entry fees unduly, so we kindly request the assistance of the members to promote the competition. A nice TEDDY hamper is on offer for skaters that sells all their tickets. They will be entered into a lucky draw for the teddy hamper. A prize for the MOST TICKETS SOLD is also on offer! Christo will be handing out the booklets to the parents at the rink.

Please return your tickets and entrance fees before 16<sup>th</sup> of April to either Elsa Lombaard or Christo Viljoen to be eligible for prizes.

## Trophies

We kindly ask skaters who received trophies last year at the Provincials to have it engraved (allow for at least one week) and returned by Sunday, the 18th.

## Entry Forms

We remind you that entries close on the following days:

31<sup>st</sup> March - GN membership and

9<sup>th</sup> of April - GN Provincials

## Official Practice: Saturday morning, 17<sup>th</sup> of April.

The normal patch fee of R50 is payable. Normal practice will commence from 5h00 - 7h40. All skaters (even from other provinces) are welcome to practice. The official practice will be from 7h45 - 10h00, for GN skaters only. During the official practice only the skaters in the sections (marked with different colours) will be allowed on the ice.

Preliminary schedule.

## Assistance at the competition

As the smallest province, we pride ourselves with the co-operation of all our members. The committee asks for assistance with the following in order to hold a successful competition.

We will be setting up at the rink from 15h30. Assistance is requested for carrying tables and chairs, setting up the judging area, as well as tables for sales and at the entrance.

During the competition we would appreciate help at the entrance and sales tables. These sales are a very important part of our income to offset the costs for this competition.

Afterwards we would appreciate assistance to clean up and put away all the computers, cabling, tables and chairs.

Thanking you in advance.
